To: barriticus@gmail.com

BushwickBK.com: counterpunch had something similar in an article by some egyptian guy
BushwickBK.com: about the tahrir attack plan
BushwickBK.com: so it must have been making the rounds
me: we're getting something going
me: just brokered a collaboration between two highly technical parties
me: one of which has some very good ideas
me: feb 11
me: IRan revolution day
me: we're going to supply my IRL Iran contacts with secure comm software
me: among other things
BushwickBK.com: nice
me: more later, in meeting
me: you need to get a hushmail address soon
me: hushmail.com
